Soft Toy Collection

Our new soft toys feature 6 extremely cute characters in a medium size and our adorable bee equipped with 12 different inspirational words sewn into their sides. All our characters are made with 100% polyester shell and stuffing, beads inside to add weight and balance and are all tested to EN71 industry standard

PT01 SPROUT
(40cm from head to paw)

Sprout may be small but she has quite a lot to say for herself. She gets away with most things however because of her sad eyes and massive curly ears

PT02 KLAUS
(40cm from head to paw)

Klaus is a very friendly cat and gets on well with everyone. He has the loudest purr and softest fur and loves his cuddles!

PT03 PRICKLES
(27cm from head to paw)

Prickles by name but certainly not by nature. He is a very friendly hedgehog who is extremely soft to cuddle. He loves to wander through the hedgerows looking amongst the leaves for tasty treats.

PT04 AMOS
(40cm tall from head to hoof)

Amos loves being around others, he is at his happiest when he is amongst friends.
He is very proud of his handsome horns and his extremely soft fleece, although it takes quite a lot of looking after!

PTO5 MISTY
(40cm from head to paw)

Misty may look very cute and cuddly with her long soft ears but she is full of fun. She is playful but very affectionate. Loving a big cuddle when she is not up to mischief.

PT06 BEAR
(35cm from head to paw)

Bear is your typical friendly teddy bear. He is always there for you when you need a big hug. He is a very good listener and his friendly face is sure to cheer anyone up

Beautiful Bees (12cm long)

Bees are truly amazing creatures. They are hugely important to our environment and make delicious honey in the process. They are extremely hard working, smart and love to express their feelings)
