GENERAL
CATALOGUE

A fantasy made of passion!

Our products reflect our history and our values, over twenty years of experience in blending shapes and colours, until we reach a balance that immediately brings us to the **EGAN** world.

Each creation is made with care and passion for details, the result of a craftsmanship that remains unique and exclusive, the heritage of those who like us are the sons of a past made of shop masters.

The work of expert hands gives us objects animated by *perfect imperfections*, unquestionable brand of artisan production.

It is in this intimate and innermost process that emotion takes shape and EGAN collections arise.
