Proudly crafting ceramics in Stoke‑on‑Trent for over 60 years, Portmeirion® collections are inspired by nature and designed for the way we live our lives. Providing you with everything from a warm nostalgic smile to fresh and uplifting inspiration.

BRITISH HERITAGE

Portmeirion was founded by one of Britain's most celebrated 21st‑century designers, Susan Williams‑Ellis. Her vision that tableware should be both beautiful and practical was brought to life through a heritage of pottery trade in Stoke‑on‑Trent, where Susan came to open the Portmeirion factory in 1960.

Sixty years later, Susan's ethos lives on as we continue to craft our pottery today with the same unique spirited individuality.

INSPIRED BY NATURE

Portmeirion® collections bring the outside in with colour, pattern, texture and shape inspired by the beauty of nature. With 60 years of heritage, our products are distinctive, embracing form and function, and made to enjoy every day.

22 PAIRS OF HANDS

Each and every piece of Portmeirion made in our Stoke‑on‑Trent factory passes through at least 22 pairs of hands. Thanks to the wealth of knowledge and nurtured talent from our highly skilled team, our personal touch ensures timeless pieces for the home.

MADE TO LOVE, MADE TO LAST

Since 1960, Portmeirion has been creating affordable yet beautiful tableware to cherish for years to come. Our talented designers and craftsmen have a passion for creating unique and durable products, and with this we continue to build on sixty years of expertise in creating innovative designs to make every day feel stylish and special.

Portmeirion Minerals

Invigorate the senses with nature-inspired glazes, tactile shapes, and effortless beauty. Portmeirion Minerals is a celebration of time-honoured techniques and the beauty of nature, blending honest materials with skilful craft for a collection made with purpose.

Crafted in Portugal, a palette of harmonious colours in moonstone, rose quartz, aquamarine, jade and amethyst, washes over textured curves; shades and shapes that blend seamlessly with your space.

Consciously designed, the stoneware is once fired, made from recycled clay, and is finished with a reactive glaze making every piece wonderfully unique. Beautifully presented in recyclable packaging, from the hands that shape it to the home that treasures it, Portmeirion Minerals is made to love and made to last.

Botanic Garden

The Botanic Garden collection adds that understated touch of class to everyday occasions – be it Sunday breakfast with the family or a dinner party with friends.

From tableware and cookware to vases and gifts, each piece features a beautifully detailed vintage botanical illustration complemented by Portmeirion's iconic leaf border.

Make no mistake Botanic Garden is built for all the realities of everyday modern living – its prettiness belies its strength and durability and its chip resistant glaze makes it the perfect collection for busy family homes.

The timeless collection continues to tell the magical Botanic Garden story – Great British design since 1972.
